

DIPLOMA MILL OR RESEARCH UNIVERSITY?

THE RIVERSIDE FACULTY ASSOCIATION INVITES YOU TO A PUBLIC FORUM ON UCR'S FUTURE

A NEW LONG RANGE DEVELOPMENT PLAN PROJECTS UCR TO EXPAND BY AS MANY AS 35,000 STUDENTS BY 2035 (THE "35/35 PLAN").

WHAT WILL THIS PLAN MEAN FOR FACULTY, STUDENTS AND STAFF?

- Will we have the resources to maintain academic and research excellence or will we face further erosion of the quality of our teaching and research?
- Will we be able to accommodate a 50% increase in students without compromising academic standards and increasing burdens on faculty and staff?
- Will it increase the privatization of our public university and reduce workers' bargaining power?

**MAY 15, 2019, 12 – 1:30 PM, INTS 1111
(CHASS Interdisciplinary Round Lab)**

This event is open to everyone in the UCR community.
